## Notes:-

1 Profit for the quarter under review is lower than corresponding quarter of the previous year due to significantly lower sales price realization, plant shutdown for maintenance and replacement of the Catalyst.

3 There were no investors' complaints pending at the beginning of the quarter. One complaint received during the quarter was satisfactorily resolved during the quarter.
4 The figures for the previous year/period have been regrouped/reclassified, wherever necessary to conform to the classifications of the current period.
5 The above results were reviewed by the Audit Committee of the Board on 17th July,2009 and were thereafter approved and taken on record by the Board of Directors at its meeting held on 21st July, 2009 and have been reviewed by the Statutory Auditors.
